Foundation Receives Funding for Senior Home Repairs

SAN BERNARDINO - The Steelworkers Oldtimers Foundation will receive \$35,000 to provide free minor home repairs for moderate- and low-income seniors who live in the agency's San Bernardino County service area, according to a contract approved by the Board of Supervisors on Tuesday.

The funding comes from the County's Community Development Block Grant program, which is administered by the Department of Community Development and Housing. The Steelworkers Oldtimers Foundation serves communities in the County's Second, Fourth and Fifth districts. The Foundation provides seniors with a range of minor home repairs, such as replacing broken windows or fixing leaky faucets.

"The Oldtimers Foundation is a valuable community service organization that does so much for our seniors," Biane said. "Whether it's offering home repairs or home-delivered meals, Oldtimers is always there to help, and I'm glad the County can lend them a hand."

Call (909) 829-0384 ext. 224 for more information about the Steelworkers
Oldtimers Foundation's senior home repair program.
